

Disaster Legal Aid

Legal Services Corporation has launched the Legal Aid Disaster Resource Center website to provide additional support and resources to disaster legal aid organizations and professionals, pro bono volunteers, and disaster survivors. You can visit the Disaster Resource Center at www.ladrc.org.

The website also features a members-only help center that includes password-protected resources and a “Knowledge Bank” of experienced disaster legal aid attorneys. This feature will promote relationship-building and collaboration among the disaster legal aid and emergency management communities. To access these features, you can visit the [LADRC Help-Center](#) and request an account.
