

FEMA Appeal: Contractor Estimate Guide

- Only estimate storm-related damages. Do NOT estimate deferred maintenance.
- Only estimate repairs to bring home to safe, sanitary, and livable condition. Estimate should NOT include repairs that bring the home to its pre-storm condition.
- Quote standard replacement items such as floor covering, walls/ceilings, fixtures, and appliances.
- List all line items with measurements, materials, labor, and work type (Ex. “Demo only”, “R&R”).

Click on the attachment for a printable checklist that includes exterior, interior, and mechanical issues.
